

# DURAND NEIGHBOURHOOD ASSOCIATION

---

## ANNUAL GENERAL MEETING 2015

Special  
Presentation

### CHARACTER ZONING

The presentation by Civicplan's **Paul Shaker** and **Sonia Macdonald** will start the dialogue about the general concepts of "character zoning" and its application in Durand.

Character zoning aims to preserve the unique characteristics of a community that give it a sense of place. The key principle of character zoning is to engage the community in active participation and discussion in order to achieve a desired outcome.

**Let's preserve what we cherish and  
prevent what we don't want.**

**Tuesday, November 17, 2015  
7pm  
70 MacNab Street South (YWCA)**
