

Hamilton Built Heritage Lecture Series April 2015

# Main Street as Old Growth Forest

A lecture presented by

**Catherine Nasmith**  
Catherine Nasmith Architect

**Main Street as Old Growth Forest** uses analogies from the environmental conservation and ecology movements to describe the value of our rapidly disappearing Main Streets with regard to their types, states, complexity, diversity and other attributes.

**Wednesday, April 15, 2015 @ 6:30pm**  
**95 King St. E. (Mills Hardware)**

**FREE EVENT** sponsored by the Ward 2 Community Council

**RSVP Janice Brown** by email [president@durandna.com](mailto:president@durandna.com)  
to reserve your seat!
